

68th INTERNATIONAL MEUSE ROWING MARATHON
Held on Saturday 17 October 2026
*Under the patronage of the City of Liège
& of ADEPS (Administration de l'Éducation Physique et des Sports)*

RULES

1. The race is international. It is open to Senior and Masters rowers over 5 laps and to U19 and U17 rowers over 4 laps. Each lap is 8.650 km.
2. The race is governed by the provisions of the international and Belgian racing codes.
3. Entering the race automatically implies acceptance of these rules and, more particularly, the participants' liability for damage of any kind caused to themselves or to third parties, whether or not those third parties are taking part in the race. Competitors are in particular required to comply with the rules, to each carry their own life jacket, and to ensure that their physical condition meets the demands of the race. Consequently, the organising club cannot under any circumstances be held liable beyond what is provided for by law.
4. The Marathon starts at around 10:00, depending on the boats entered, and ends at 17:00 for all participants. The umpires may stop any boat starting its final lap if it is judged to be outside the time limit. Boats start from a standstill level with the start marker, on the starter's signal. They go down the Meuse along its right bank, turn at the Atlas bridge to row up the Dérivation, then turn around the jetty near the Fragnée bridge and return to the start line: a distance of 8.650 km (see map), to be covered 5 or 4 times.
When going down the Meuse, for safety reasons, boats must keep as close as possible to the right bank of the River. Offenders will receive a 1-minute penalty the first time and will be disqualified for a repeat offence. Boats about to be overtaken must give way early enough by moving out of the path of the overtaking boat.
5. A relay marathon is added to the competition, with 2 crews changing over once during the race, either on the 2nd or on the 3rd lap, with a separate ranking and the same handicap table.
6. Coxswains may not take the place of rowers.
To be ranked, a boat must complete the entire course and finish within the time limit. A rower who has left the boat while it continues the race may not return to their seat, failing which the crew will be excluded from the race.
7. Canoe-type boats (C-boats) must comply with the dimensions and weights set out in the table in the attached document. They will be checked if there is any doubt.
Boats will be weighed empty of any load or ballast.
Any crew attempting to have its boat weighed with ballast will be automatically disqualified, will not be allowed to start and will not be entitled to a refund of its entry fee.
8. The HANDICAP table is detailed in the attached document. It is the same for the full 5-lap race and the 5-lap relay. A boat's handicap is determined by the boat type and by the age and sex of the rowers. The handicap of a crew boat is the average of the start times of each rower in the crew. Mixed crews are allowed.
9. The organisers nevertheless reserve the right to treat an unlisted boat as equivalent to a boat that appears in the table.
10. A club entering a rower outside the age categories will be responsible for that rower's actions and conduct during the race. The RSNM accepts no liability for any accident or incident involving a rower outside the age categories.
11. All coxswains must report for the weigh-in at the RSNM boathouse 1 to 2 hours before their start.
12. The start signal will be given at the scheduled time for each crew, without waiting for latecomers.

13. BOW NUMBERS & BIBS: the bow number is to be fixed to the bow of the boat and the bib to the back of the bow rower. They can be collected at the clubhouse from 10:30 against a €10 deposit.
14. ENTRY FEE: €10 per seat for Masters, €5 for Seniors and Juniors.
15. Entries must state the surname, first name, date of birth and licence number of each rower and coxswain, the exact category of the boat used and the name of the club. A separate entry form is required for each crew and must be submitted **preferably via the online form available on the club website www.rsnm.be or, failing that, by email to rsnm.info@gmail.com, before Monday 5 October 2026 at 18:00.**
16. The draw will take place on **Sunday 11 October 2026 at 19:00** at Parc de la Boverie 1, 4020 Liège.
Double entries are not accepted. Formal withdrawals must reach rsnm.info@gmail.com before **Sunday 11 October 2026 at 18:00.**
17. Any change or late entry must be notified no later than 48 hours before the start of the race. Any change or late entry notified within the 48 hours preceding the start of the race will result in the entire boat being reclassified in the "Senior A" category.
18. Prizes: 3 rankings are established: one for the full 5-lap single-crew race, one for the 5-lap two-crew relay and one for the 4-lap race. A cup will be awarded to the first junior boat, the first Senior boat, the first women's Masters boat and the first men's Masters boat, and to the first boat in each category, provided that at least 3 boats in that category start. Prizes are not cumulative.

Meuse Marathon

Safety rules: on the MEUSE, stay on the right bank of the river. Do not go beyond the centre of the river. Watch out for barges in circulation!

Sicherheitsregeln: Bleiben Sie auf der Maas am rechten Flussufer. Gehen Sie nicht über die Flussmitte hinaus. Achten Sie auf im Umlauf befindliche Lastkähne!

Veiligheidsregels: blijf op de MAAS op de rechteroever van de rivier. Ga niet verder dan het midden van de rivier. Pas op voor schepen die in omloop zijn!
